Please do not dig holes or canals on the pitches. Do not put plastic on the lawn, so it dies off. Please do not use stones on the site and not as a bottom layer of your caravan, this increases the risk of accidents while mowing the grass. On Sundays and holidays, mowing the lawn is prohibited, as are other noisy activities.

Because of the size of the pitches and the maintenance of the lawn we don't accept **twin-axle caravans** on the campsite.
