Due to the increasing number of online reservations where guests do not show up, we kindly ask you to pay a deposit of 10% of the total amount when making your reservation. This can be done via the payment link in the confirmation or by bank transfer. During booking, you can also select the cancellation fund. With this fund, you will receive 100% of the paid reservation costs back into your bank account in case of cancellation.

Please note: without our cancellation fund, you can only claim incurred costs through your own insurance.

The remaining costs of your stay can be paid at the campsite. Payment can be made in cash or by debit/credit card. You may pay on arrival or, if your departure date has not yet been fixed due to the weather or other circumstances, on departure.

Would you like to pay for your stay in advance by bank transfer? That is of course no problem. We kindly ask you to make the payment no later than 5 working days before arrival, so that we can process your payment in time.

We reserve the right to cancel your reservation if the deposit has not been received within the specified period. Prices are subject to printing errors and fluctuations in the energy market.
